

## WHEN IS THE TIME OF THE ANTICHRIST?

In 2015, Pope Benedict XVI wrote a private letter to Slovak intellectual Vladimir Palko, in which he appeared to suggest that we are now living in the time of the Antichrist. Palko vowed not to reveal the contents until after Pope Benedict XVI's death.

Recently, Pope Benedict XVI's full statement was revealed as: **"One sees how the power of the Antichrist is expanding and can only pray that the Lord might give us STRONG SHEPHERDS, who defend his Church in this hour of need from the power of evil".**

("Man sieht, wie die Macht des Antichrist sich ausbreitet, und kann nur beten, dass der Herr uns KRAFTVOLLE HIRTEN schenkt, die seine Kirche in dieser Stunde der Not gegen die Macht des Bösen verteidigen".)

Speaking to his biographer Peter Seewald, Pope Benedict XVI defined the spirit of Antichrist as **"the universal dictatorship of apparently humanistic ideologies"**, with his full statement given as follows:

"The true threat for the Church and thus for the Petrine service, does not come from this sort of episode: It comes instead from the universal dictatorship of apparently humanistic ideologies. Anyone who contradicts this dictatorship is excluded from the basic consensus of society. One hundred years ago, anyone would have thought it absurd to speak of homosexual matrimony. Today those who oppose it are socially excommunicated. The same holds true for abortion and the production of human beings in the laboratory. Modern society intends to formulate an anti-Christian creed: Whoever contests it is punished with social excommunication. Being afraid of this spiritual power of the Antichrist is all too natural and what is truly needed is that the prayers of entire dioceses and of the world Church come to the rescue to resist it".

Thus, Pope Benedict XVI was saying that there is no such thing as a spiritual vacuum. If people should one day reject Christianity, then they would come to hate it, and that would usher in the reign of Antichrist, and "the (perverted) end of all things".

1 John 2:17-19 tells us there are multiple antichrists in all ages: "The world is passing away, along with its desires; but whoever does the will of God remains forever. Dear children, it is the last hour; and just as you have heard that the Antichrist is coming, so now many Antichrists have appeared. This is how we know it is the last hour. They went out from us, but they did not belong to us. For if they had belonged to us, they would have remained with us. But their departure made it clear that none of them belonged to us".

In the past, other ages that were identified as ages of the Antichrist included:

- the time of the Roman persecutions, or
- the time of the Arian heresy, or
- the time of division of the Church into various sects and denominations, when priests were arrested, burned, hung, drawn and quartered, or
- the time of the French Revolution, when 6,000 nuns were guillotined, or
- the time of the soviet gulags, when thousands upon thousands of Christians were arrested by the Bolshevik-Zionists, and sent to Siberia to die of overwork and bitter cold.

Pope Benedict XVI defined the spirit of Antichrist in the world today as being embodied by "humanistic" philosophy. He meant that Zionists and Freemasons follow the Babylonian

Talmud as their most "holy" book, and that is why Zionists and Freemasons embody the spirit of Antichrist in the world; because the Talmud commands its followers to engage in child-rape, bestiality, and human-sacrifice, and to breach all Ten Commandments, thus making it unmistakably satanic. More broadly, anyone helping the Zionist or Freemasonic cause, or backing perverted ideologies, aims or irreligions, is also embodying the spirit of Antichrist.

In a famous homily in 1984, Dominican Father John O'Connor of Chicago (unrelated to the cardinal) warned that the degree to which a country has accepted the spirit of Antichrist is the same degree to which that country has adopted the ten planks of the communist manifesto. Today, in 2023, having now adopted all ten planks of the communist manifesto, the whole "capitalist" world is almost fully communist and thus all "governments" have fully accepted the spirit of Antichrist.

Furthermore, "Lenin" (Vladimir Ilyich Ulyanov) quantified that a central bank was both "90 percent of communizing any country" and also the single most "important" plank of the communist manifesto, albeit a horrendously anti-worker plank. Thus, according to Ulyanov, Britain was already "90 percent communist" in 1694 (after the founding of the Bank of England); and the USA was already "90 percent communist" in 1913 (after the founding of the US Federal Reserve). Central banking, income tax, the spurious "national debt", and wars planned and paid for at taxpayer expense, are all mechanisms to totally enslave humanity and are thus also core aspects of the spirit of Antichrist. They are also supported by all "governments".

Hence, the whole idea of capitalism was never anything but a western dialectic of what later became defined as communism. Additionally, western capitalism and eastern communism were both invented by the very same "humanistic ideologies"; they were both born of the spirit of Antichrist, and they are still supported by the most powerful satanic forces on Earth. Furthermore, very many people who like to call themselves "humanists" are often colossal murderers, such as "Stalin" (Ioseb Dzhugashvili), Churchill, Mao, FDR.

Recently, some speculated that Cardinal Giovanni Angelo Becciu might have some antichrist role.

There has been considerable speculation that English monarch Charles III will soon assume the role of the Antichrist, as shown for instance by Tim Cohen in his 1998 book "The Antichrist And A Cup Of Tea".

Around 2015, when William, heir to the English monarchy, turned 33, there was a lot of speculation that he was about to assume the role of the Antichrist. There were three reasons for this:

1. Over the decades, many Satanists stated that the House of Rothschild would bear the Antichrist because it is the top satanic bloodline, and William's alleged real father was Guy de Rothschild;
2. On 21 Jun 1982, William was sliced from Lady Diana's womb by caesarian section so as to coincide with a solar eclipse;
3. William was inducted as the thousandth member of the druidic Order of the Witch Garter, a witch coven that has operated inside the English monarchy since 1348 AD.

However, Catholic Prophecy elsewhere contains the ideas of a Great Chastisement and of multiple ages of the Church. And the actual time when the Antichrist will assume power for 3.5

years is not yet here.

## **OPINION OF HIS EMINENCE AND GRACE BISHOP RICHARD WILLIAMSON**

**In Dec 2022, His Eminence Bishop Williamson gave the following opinion regarding the time of the Antichrist:**

*"My guess is that the Antichrist might be something like 50-60 years away. Let us say we have another 5-15 years from now until the Great Chastisement. Then, let us say 25 years from the Chastisement followed by the Sixth Age of the Church, also called the Golden Age, to which Our Lady of La Salette in 1846 ascribed '25 years of good harvests'. Thereafter, let us say another 20 years for the predicted corruption of mankind that will bring on the Antichrist. These are all guesses and approximations, except for the duration of the Golden Age".*

## **MARIAN BACKING FOR BISHOP WILLIAMSON'S OPINION**

The Marian Apparitions of La Salette (1846), Fatima (1917), and Akita (1973) all received Church approval. But Garabandal (1961-65) did not yet receive Church approval (since it questioned Vatican II), although Padre Pio did give it HIS approval in a letter he sent to its main seer Conchita González.

Our Lady of Fatima foretold her "Triumph" after the Collegial Consecration of Russia to her Immaculate Heart, something which was attempted in 1984 by Pope John Paul II but foiled by Freemasonic forces.

Our Lady of Garabandal (1961-65) foretold a Warning, followed by a Miracle that has also become known as the ENLIGHTENMENT OF CONSCIENCE, followed possibly by a Great Chastisement if folks did not mend their ways. Also, Our Lady of Garabandal said that the Collegial Consecration of Russia would take place "LATE", when the world and the situation would be "at their worst". Then the next head of the Vatican (presumably Francis) would go to Moscow and, upon his return to the Vatican, hostilities would break out in Europe and then when the deteriorating situation would be "at its worst", God would intervene with the Warning to bring a stop to the conflict.

Our Lady of Akita (1973) foretold the Great Chastisement by supernatural fire from heaven, and Father Malachi Martin revealed, in dribs and drabs, that the core message of the Third Secret of Fatima (whose original he read in Feb 1960) did not refer to anything that was either natural or manmade (such as war, volcanoes, earthquakes, tsunamis, comets), but rather to a Great Chastisement [supernatural fire from heaven] that he described as "truly awful", and that would happen if people refused to mend their ways.

Our Lady of La Salette (1846) said that, following the Great Chastisement, there would be 25 years of peace ("25 years of good harvests"), but then mankind would again become more corrupt and that that corruption would finally bring on the Antichrist, but also usher in the Second Coming of Christ and His Eucharistic Reign of a thousand years.

## **HOLZHAUSER BACKING FOR BISHOP WILLIAMSON'S OPINION**

The Venerable Bartholomäus or Bartholomew Holzhauser (1613-58) originated the concept of the **Seven Ages of the Church**. It is supported by the 1846 messages Our Lady of La Salette. Today, we are living through the **Fifth Age of the Church** (the Age of Mary) and this age will end with what is called a Great Chastisement. The brief **Sixth Age of the Church** (a Golden Age) will be the greatest and most glorious triumph of the Church in her entire history. Next, the **Seventh Age of the Church** will see the rise of the Antichrist, the greatest persecution of Church history, and the closing down of the world as we know it.

Prophecies by Alois Irlmaier and others say WW3, the so-called Three Days of Darkness, and the Great Chastisement will all take place in close succession. But those who survive these events will emerge to live the Golden Age.

Our Lady of Garabandal did NOT predict the end of the world, but referred instead to what she explicitly called "the end of the times". On 3 Jun 1963, after Pope John XXIII died, Our Lady of Garabandal said there would be THREE MORE Popes before this "the end of the times", plus ONE OTHER Pope having too short a reign to really count. Thus, by that reckoning, all THREE of those final Popes (Paul VI, John Paul II, and Benedict XVI) have now completed their reigns.

Furthermore, Francis Beroglio may NOT count as a proper Pope because the wording of Benedict XVI's resignation letter explicitly stated that Benedict XVI would remain Pope except for administrative duties, which effectively relegated Francis to the role of ADMINISTRATIVE CARETAKER that he remains today.

Thus, Pope Benedict XVI's death on 31 Dec 2022 officially marked the START of "the end of the times" that Our Lady of Garabandal had foretold in the 1960s.

ALL peoples in the world need to repent; but two main groups that have so far been largely unrepentant include Zionism, which is a Freemasonic project intending to install the Antichrist in Jerusalem and to slaughter most of the Goyim "Livestock", and the group aiding the still-ongoing Abortion Holocaust which has claimed the lives of over 2 billion innocents, with roughly 1.7 billion innocents estimated as having been genocided since 1980 alone, as shown here: <http://www.numberofabortions.com/>.

## CONCLUSION

Catholic Prophecy clearly states that the 42 months of the Antichrist are pending but not yet expected for several decades. The NEXT major event is NOT the arrival of the Antichrist, but the conditional Great Chastisement spoken about in the real (unpublished) Third Secret of Fatima, and also reiterated in the messages of Garabandal and Akita; and although it is still conditional, it would now appear INEVITABLE.

**Today, the single most urgent job for Christians is to PRAY so that the awful effects of the Great Chastisement might be MITIGATED. Because people clearly did not mend their ways after 1973, it unfortunately appears now that the Great Chastisement can no longer be averted, only mitigated.**

**Bishop Williamson's GUESS OR APPROXIMATION is that the Great Chastisement may take place somewhere around 2028-38, or maybe even sooner.**

**SO PREPARE YOURSELF AND GET RIGHT WITH GOD;**

**TRY TO BE ONE OF THOSE "STRONG SHEPHERDS" THAT BENEDICT XVI CALLED FOR;**

**WATCH AND PRAY (Matthew 26:41).**
